

<p><i>Dealings Project</i>  <i>(project that facilitates interaction between different professionals and clients)</i></p>	
<i>project sponser</i>	<i>E-commerce Company.</i>
<i>Business Need</i>	<p><i>This project was created to:</i></p> <ol style="list-style-type: none"> <li><i>1- facilitate communication between different professions (doctors, engineers, electricians, plumbers, barbers, hairdressers, veterinarians...etc.) and customers who are located in different places and find it difficult to reach the owners of these professions easily.</i></li> <li><i>2- Increase job opportunities for different professions.</i></li> <li><i>3- Professionals can be contacted at any time or when necessary.</i></li> <li><i>4- reduce unemployment.</i></li> </ol>
<i>Business Requirements</i>	<ol style="list-style-type: none"> <li><i>1- This application can be used using both Android and iOS systems.</i></li> <li><i>2- This application is used for ease of communication between the customer and the users (professionals).</i></li> <li><i>3- Create an account on the application for professionals with monthly subscriptions.</i></li> <li><i>4- Entering experience or certificates for professionals and evaluating them.</i></li> <li><i>5- Organizing appointments and the appropriate time for each client.</i></li> </ol>
<i>Business Value</i>	<p><i>We expect that the App (Dealings) will increase job opportunities for people with professions, which will increase their income and increase the application's revenues even more.</i></p> <p><i>Conservative estimates of tangible value to the App include the following:</i></p> <ul style="list-style-type: none"> <li><i>* 6,800,000 \$ in increasing sales.</i></li> <li><i>* 794,000 \$ in Downloading the App.</i></li> <li><i>* 533,250 \$ in visiting the website</i></li> </ul>
<i>Special Issues or Constraints</i>	<ol style="list-style-type: none"> <li><i>1- Finish this project within a period not exceeding one year.</i></li> <li><i>2- The professionals involved in the application should be highly experienced.</i></li> <li><i>3- If a customer complains about the profession, the program will automatically send alerts to him, and if the complaints increase again, he will be removed from the application.</i></li> </ol>
